*People's Party Of Manchuria*

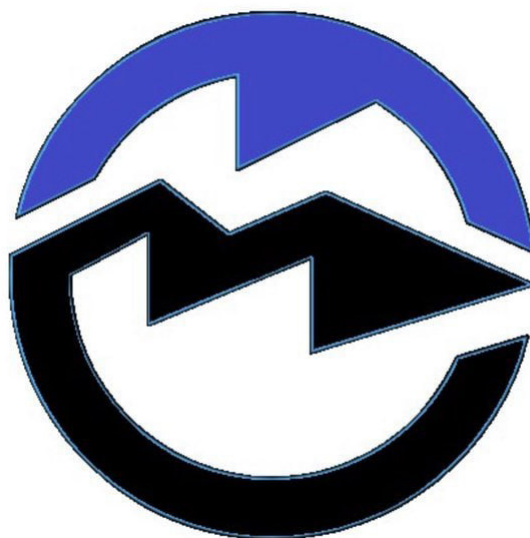

2022年4月19日, 人民党发表三色旗宣言。

“Sure, I would recommend to use the new 3 colored independence flag. It's not for Qing reformists nor Manchukuo loyalists, it would be for someone from Manchuria region, who believes their identity is different than Chinese, and persuade individuals' freedom”

2022年6月，人民党主席塔什哈开始组织活动。

2022.12.01 满洲人民党建党

“满洲人民党今天正式成立了！本党希望能够为我们的家园——满洲的独立与解放作出贡献。”

“人民这二字绝非共产主义集权者的专利。话语权不应被他们垄断，本党始终反对一切形式的共产集权和专制暴政。人民的含义并非像共匪所说，只有拥护一党专制的才是人民。人民是所有热爱国家和民族，渴望民族解放独立，追求自由者的统称。这是本党对人民二字的理解。”

“最上方的蓝色符号形似雄鹰，雄鹰是满洲人崇拜的动物之一，而蓝色又代表自由，是重要的满洲价值观。

中间的尖头，代表着人民党不断前进进取，尖头形似M，即代表满洲，又是被白雪所覆盖山巅的缩影，这是满洲自然景观之一。

最下面是黑土地与M相连，代表满洲人民和土地不可分割的关系。”

2022年12月10日，参加温哥华中领馆人权日活动

“关注人权是满洲的民族精神，今天是人权日，三名温哥华的满洲人民党成员参与了中国驻温哥华领事馆的门前抗议活动。在活动上，我党积极声援邪恶中国政权统治下的各民族争取权利与自由的正义举动。”

“恭祝今天的人权日活动圆满成功！  
感谢今天为民族的独立与自由而发声的所有人！  
（左1左2的参与者为我党两名成员）”

关注满洲的朋友们，满洲的女士们，非二元性别朋友们，先生们，我等不及和你们一起共事了。希望我的任期之后，我和同事们还有朋友们能够一起留下美好回忆，我们能在回忆任期的时候一起说“诶呀，咱们这整的还行”。

作为流亡民族成员绝非易事，因为自由从来不是免费的。每次满洲民族遇见挑战的时候，我们都有人能勇敢的站出来，这就是为什么我们现在还在这里。落雪的地方就是故乡，有亲人和朋友在的地方就是家庭。总有一天我们的敌人会付出代价，用他们的血来浇灌我们的自由土地。我们自由的土地，会重新为满洲带来繁荣

我很荣幸能够为支持满洲自由的人们工作，满洲第一，满洲万岁。

Dear friends of Manchuria, Ladies, Non-binary folks, and Gentlemen of Manchuria, I can't wait to work with you! I wish after my service in the office, I can leave fine memories with my colleague and my friends. We can always look back and say, "That was some damm good stuff!".

Living as an exiled nation was never easy because freedom is never free. Every time our nation faced a crisis, someone will always stand out. That is why we are still here. Our hometown is where it snows. Our family is where our friends and family are. One day, our enemies will pay, and we will use their blood to bring our land back, our land, their blood, and our prosperity.

I am honored to serve those who support the freedom of Manchuria. Manchuria always first! Long live our nation!

Dear Gunther  
The Congress of Manchuria

My name is Tasha Q. I am the current president of The Congress of Manchuria, and the current leader of The People's Party of Manchuria. The Congress of Manchuria is an alliance made by several different Manchurian youth political groups. We aim to protect Manchuria's culture and to form Manchurian communities across the globe.

Participants of The Congress of Manchuria have made great progress since the alliance was formed. We have helped Tibet and Hmong groups with their events. We believe human rights, and all nations' self-determination is critical to the world's peace and harmony. Therefore, we appreciate your attention to Manchuria's self-determination movement!

The Congress of Manchuria is so far the most active Manchurian political organization. We believe in Manchuria's traditions, and the equality of all races in Manchuria. We are against all forms of extremism. We believe in the right of women's reproductive self-determination, and the sexual minorities' rights. Also, we believe protecting our community and getting our voices heard are important. We hope we could claim our traditional territories and bring them back to Manchuria. Please allow me to introduce some group works under The Congress of Manchuria.

- **People's Party of Manchuria (Twitter: @PPM\_Manchuria)** is mainly based in Vancouver Canada. They mainly focus on building Manchurian national recognition based on Manchuria's traditions, values, and social issues. They also help Manchurian youth newcomers to fit into Canada's life, including helping them to obtain driver's licenses, student activities, sport shooting practices, resume drafting, immigration, and education pathway guides. In the upcoming year, the People's Party of Manchuria would help more newcomers to make Canada their new settlement place. Manchuria might be hard to rebuild, but at least these newcomers should have a chance to provide their contribute to the local society and sustain themselves. The People's Party of Manchuria believes, with a safe Manchurian community, a group of energetic youth volunteers, knowledge and experiences of those pioneers, Manchurians can form a strong and welcoming community here in Canada. For now, and for other years to come. However, one day Manchurians shall bring back their nation, and live in their ancestral territories. (Twitter: @LGPMT?)** also known as the Libertarian Green Party of Manchuria is a newly founded political club with a strong focus on environmental conservation and the elimination of collectivism. L.G.P.M. is focusing on two major issues of Manchuria. Firstly, to restore damaged land, water, air, and living beings on Manchuria soil. Secondly, to restore the Manchurian Nation, which was once known to be strong and free, both physically and spiritually. We have two home bases in Liverpool, UK and Eindhoven, NL, respectively. Currently, the UK base focuses on Manchuria's self-determination and anti-CCP movements, while the NL base specializes in environmental assessment and geopolitics. We work closely with members of The Congress of Manchuria.

- **The Fellowship of Manchurian Keepers (Twitter: @Manchuria\_K)** is a Bible-believing, non-denominational fellowship whose purpose is to pass the message of Jesus Christ as the Son of the Father to the Manchurian community through fellowship, prayer and ministry through the guidance of the Bible and the Holy Spirit. And to manifest the glory of God. The Manchurian Guardian Fellowship wishes brothers to follow God wholeheartedly, love neighbors as ourselves, love each other, care for each other, and protect each other. It is strong, it can stand up in three last days, it can guard Manchuria, and finally establish the temple of God in the hearts of Manchurians. Manchurian Keepers is a family-focused organization, their leader, Ujan Conba, is not just a man of god, but also a man of his family.

The majority of our participants are youth or international students. Due to this fact, we could not help you financially at this time. However, if you would have a chance to visit one of the cities above, we will always be happy to have you join us for dinner or coffee. Also, we are ready to help you with our knowledge and support anytime. Our participants do have our families under China's regime, and most of us are not seeking political asylum by all means. Therefore, we would really appreciate you anonymously.

We believe relationship building takes time. We can not help much now, but we will support you in all the ways we could! Looking forward to hearing back from you, and hopefully to having a chance to collaborate in the future!

2023年05月08日 参与VAHK香港社区街站活动

“满洲国民大会和满洲人民党从来支持能够帮到的友邦，今天我们成员参与了VAHK的街站活动，在满洲人民党看来，为友邦提供真正的活动帮助，胜过举自己的旗子蹭热度，希望香港友人早日实现独立自由的理想”

2023年05月14日 接待独进会成员，传播射击与防卫知识，学习枪械安全基础

“用真枪射击的机会不是每个国家都有，来自独立进步学会的特别代表来到了人民党总部，和满洲人民党成员一起，学习了半自动武器的基本操作”

我是满洲国民大会主席 满洲人民党领袖 Tasha Q

现代满洲民族的形成是当代不同背景的满洲人因为对自由的热爱，而相互尊重产生的秩序共同体。满洲国民大会从建立到现在，有全世界各地活跃着的支持者。目前，我们有五个来自世界各地的加盟青年社团。满洲国民大会成员都是有西方教育经历，有不同学术背景的青年，社团领袖平均年龄不超过 35 岁。满洲国民大会不承诺帮你拿政庇，也不会要求你去中领馆门口举牌示威，不会受中国民主派系的渗透，也不会要求你复辟帝制。中国文化自古以来的特色就是愚昧排外，一个民主化的中国对满洲更会是一场灾难。况且，中国永远不可能真正的民主化。而满洲获得长久自由的唯一出路，就是建立一个不受外国反满势力影响，自由强大的满洲。

你是想让自己的孩子受帝制奴役还是想让你的孩子得到自由？你是想让你的孩子信法轮功还是重拾先祖的遗产？中国民主主义者和皇帝的支持者觉得他们还应该当你的主子，这回你的主子不会是日本人，不会是皇帝，也不会是中国人，你应该是你自己的主子！我们的祖宗，走路，骑马，乘船来到满洲，他们的时代早已过去，而我们要铭记他们的付出，在关键时刻，守卫满洲的遗产
